Don't think of STORACE FOR FURS in terms of FIRE INSURANCE. That is a very small part of it.

Removing the dirt,
Straightening out the hair,
Closing the breaks while they are young,
Hanging in a cold room for six months,
Insurance against loss from any cause,
And returning to you clean and fresh and repaired and safe.

THAT IS COLD STORAGE

And all the difference between our service and the other sort is our attention to the little things which spell "Carefulness." All fine furs hung in muslin bags. Small minor repairs without charge. Full 100% Fire Insurance. An accurate system of registration and location preventing delay in delivery.

PREMIUM CHARGE THREE PER CENT

Those Seeking

THAT

BETTER GRADE OF PRINTING

Which produces refined and pleasing mental impressions in conjunction with press impressions are invited to enter into communication or consultation with our Printing Staff.

Allow us to estimate upon your requirements in Printing of whatever kind or nature, and you will be highly pleased with our estimates—based upon quality of work delivered. This, of course, involves no obligation on your part.

We maintain one of the largest and most modernly equipped Printing Plants in Southeastern Massachusetts, and being free from the high labor costs and overhead of city influences we are in a position to quote satisfactory prices upon any class of work submitted.

For over Twenty Years we have faithfully served those who desire that better class of printing which pleases both the eye and the brain.

TO WHOM IT MAY CONCERN

I take great pleasure in recommending The Memorial Press to all those desiring that better grade of printing which is so much desired.

They have promptly, faithfully and pleasingly served me for many years—this Blue Book comes from their presses.

Yours truly,

HORACE F. JONES Publisher.
